Notice to Tender

The South African Hockey Association (SAHA) invites qualified suppliers to propose for the supply of technical apparel to all National Teams, with the option to be appointed Official Apparel Partner of SAHA.

This Request for Proposal (RFP) sets out the scope, rights and benefits, submission requirements, evaluation criteria, timeline and terms that apply to all Applicants.

1. Overview

1.1 The South African Hockey Association, an affiliate of the South African Sports Confederation and Olympic Committee (SASCOC) and a Full Member of the International Hockey Federation (FIH), is the national governing body for hockey in South Africa. SAHA develops, promotes and administers the sport for men and women at all levels, from grassroots to high performance.

1.2 SAHA's vision is to grow hockey at both grassroots youth and high-performance levels. This has two elements:

- To ensure that support for and interest in hockey keeps growing and that the game is available to all who want to play it.
- To pursue excellence at every level of the South African hockey pipeline.

1.3 Professional, branded apparel is essential for:

- Athlete representation at international competitions and events
- National team identity and brand visibility
- Professional appearance at domestic and international fixtures
- Athlete support and morale

1.4 Through this Tender, SAHA wishes to appoint a supplier, and preferably an exclusive Official Apparel Partner, to provide:

a) Technical apparel: match kit, training and warm-up kit, accessories, team informal wear and support staff informal wear.
b) Replica apparel for the retail market (optional component).
c) Supporter and fashion wear for the retail market (optional component).

1.5 The apparel is required for the following SAHA representative teams and groups:

a) Men's National Team Field Hockey
b) Women's National Team Field Hockey
c) Men's and Women's U21 National Teams
d) Para-Hockey National Team
e) High Performance Squads (men and women), including coaches and support staff
f) Premier Hockey League (PHL) franchise teams, subject to the league's reinstatement (optional, priced separately)

1.6 Applicants may propose on a pure supply basis, a sponsorship basis (cash and/or value-in-kind for rights), or a combination. SAHA will consider any business model that meets the requirements of this Tender.

1.7 **SAHA** will disclose to all Applicants, by written addendum before the proposal closing date, any existing apparel, sponsorship or other rights that affect the proposed appointment, identifying the affected teams, rights and expiry dates. No overlapping rights are offered. Commencement of

rights for an affected team is subject to expiry or lawful termination of the existing arrangement and the signed agreement. Material disclosures will be accompanied by a reasonable extension where necessary.

1.8 Hockey has a strong and diverse following, with sustained growth at school and youth level and a growing global audience for the international game.

1.9 The purpose of this Tender is to invite interested and qualified applicants ("Applicants") to submit proposals to be appointed as SAHA's official apparel supplier and/or partner.

2. Sponsor and Partner Rights and Benefits

2.1 Rights scale with the Applicant's offer: a supply-only Applicant receives supply rights, while an Applicant offering a rights fee and/or value-in-kind may be granted the partnership package below. The package can be tailored to the Applicant's proposal. **All rights in the table are indicative and subject to express inclusion in the signed agreement against the Applicant's guaranteed annual financial and supply commitments. No supply-only appointment automatically confers exclusivity or commercial partnership rights.**

Category	Typical right or benefit
Designation	"Official Apparel Partner of SA Hockey and its National Teams"
Intellectual property	Use of SAHA marks for advertising and promotion, subject to SAHA approval
Player imagery	Images featuring 3 or more players, only to the extent SAHA has the necessary rights and consents, and subject to prior written approval; no individual endorsement is implied.
Appearances	Up to 3 full-team appearances per team and 3 other player appearances per contract year, subject to availability, necessary consents and competition schedules. Dates, duration, player numbers and costs require prior written agreement; partner bears agreed appearance travel, accommodation and activation costs.
Supply rights	Supply rights limited to the agreed teams and apparel categories; exclusivity only if expressly agreed and subject to clauses 1.7 and 2.3.
Merchandising	Licence for specifically agreed apparel products, territories and channels, subject to approval, royalties and performance obligations; exclusivity only if expressly agreed.
Event retail	Retail opportunities at events controlled by SAHA, subject to organiser, venue and existing commercial rights, availability and separately agreed event costs; exclusivity only if expressly agreed.
Content	Use of approved footage and photographs that SAHA is authorised to license, subject to necessary consents and prior written approval.
Digital	Logo and hyperlink on the SAHA website home page; promotions on SAHA and National Team social media Subject to availability, SAHA control, existing rights and prior written agreement on scope and costs.
Database	SAHA-controlled distribution of approved promotions to eligible supporters, subject to POPIA; no database access or transfer.
Print	Full-page, full-colour advertisement in SAHA publications Subject to availability, SAHA control, existing rights and prior written agreement on scope and costs.
Memorabilia	20 signed apparel or equipment items per year (10 per senior National Team) Subject to availability, SAHA control, existing rights and prior written agreement on scope and costs.

Category	Typical right or benefit
Hospitality	8 VIP hospitality tickets and 20 grandstand tickets per home international Subject to availability, SAHA control, existing rights and prior written agreement on scope and costs.
Venue	2 PA announcements per home international Subject to availability, SAHA control, existing rights and prior written agreement on scope and costs.
Networking	Introduction to SAHA corporate partners and attendance at the SAHA Sponsor Forum Subject to availability, SAHA control, existing rights and prior written agreement on scope and costs.
Other	Additional rights may be requested in the proposal

2.2 Replica and supporter-wear licences, if awarded, will specify the products, territory, channels, duration, royalties and any exclusivity. No rights to other technical equipment are granted unless expressly agreed in writing. SAHA retains all rights not expressly granted.

2.3 All rights are subject to the obligations of team and event sponsors, FIH and AHF regulations, and the branding limits that apply at international competitions. Rights are granted only to the extent controlled by SAHA and subject to necessary player, venue, organiser and other third-party consents. Exclusivity must be expressly defined by product category, team, territory and channel, and is conditional on continued performance. SAHA may procure elsewhere to address a supplier's failure or urgent requirements it cannot meet, without breaching exclusivity.

3. Requirements of the Proposal to be Submitted

3.1 Applicants must propose a business model that meets this Tender's requirements and submit the applicable items below. Materially incomplete proposals will not be considered. SAHA may permit correction of administrative omissions under clause 5.6 on a consistent basis, without permitting a material change to the proposal.

A. Compliance and corporate documents

- ☐ Completed Submission Form (Annexure B)
- ☐ Company registration documents (certified true copy)
- ☐ Valid SARS Tax Compliance Status PIN or certificate
- ☐ VAT registration documents (certified true copy), where registered; otherwise confirmation of VAT status
- ☐ Valid B-BBEE certificate or sworn affidavit, as applicable; scorecard where applicable
- ☐ Proof of ISO or equivalent quality certification, or documented quality management procedures and independent testing evidence demonstrating equivalent assurance

B. Corporate profile

- ☐ Strategic intent and structure in responding to this Tender
- ☐ Office locations, manufacturing facilities and key personnel
- ☐ Manufacturing capability and production capacity
- ☐ Current agreements with sports teams and brands
- ☐ Retail and distribution network (if proposing retail rights)
- ☐ Track record in similar supply or sponsorship agreements
- ☐ At least 2 client references, with contact details

C. Technical apparel (Annexure C)

- ☐ Range and quantity of each item offered per team
- ☐ Technical specifications and material datasheets
- ☐ Branding approach, noting that kit also carries team and event sponsor branding
- ☐ Adaptive clothing options for para-athletes
- ☐ Sample garments of each proposed item

D. Retail apparel (optional)

- ☐ View of the replica and supporter-wear market
- ☐ Strategies to grow replica and supporter-wear sales

E. Delivery, quality assurance and support

- ☐ Proposed production and delivery timeline per season
- ☐ Pre-delivery quality inspection process
- ☐ Warranty, defect replacement and after-sales service
- ☐ Re-order lead times and account management

F. Financial proposal

- ☐ Itemised unit prices and annual totals per item and team in ZAR, identifying VAT, branding, packaging, delivery, duties and all other charges separately; disclose escalation and exchange-rate assumptions for each contract year
- ☐ Guaranteed value-in-kind supply per year, specifying items and quantities and valuing them at the same net unit prices quoted to SAHA; distinguish additional discounts and conditional offers
- ☐ Guaranteed annual cash rights fee payable to SAHA, payment dates and any conditions; identify separately any amounts payable by SAHA
- ☐ Royalty percentage, calculation basis, permitted deductions, any minimum annual guarantee, quarterly sales reporting and payment dates, and SAHA's audit rights for replica and supporter-wear sales
- ☐ Annual marketing spend to activate the SAHA association, separately identified from cash rights fees and apparel supply and specifying committed activities
- ☐ Prices and lead times for additional apparel and urgent replacement orders; no minimum purchase or guaranteed retail sales volume applies unless expressly agreed
- ☐ Separate two-year and four-year offers, proposed territories and all departures from this Tender, expressly identified with proposed alternatives

4. Evaluation Criteria

4.1 Proposals that pass the compliance check (section 3A) are scored out of 100 on the weighted criteria below. Quality of samples carries the most weight; the lowest price will not necessarily win. **SAHA will issue the detailed scoring scale, B-BBEE level-to-score methodology, any minimum technical threshold and method for comparing supply-only and sponsorship offers to all Applicants before closing. Offers will be compared on the same confirmed apparel quantities and contract duration, separating SAHA's costs from guaranteed cash and supply benefits. Evaluators must declare conflicts of interest and recuse themselves where required.**

Criterion	Weighting	What is assessed
Quality of samples and materials	30%	Sample quality, fabric performance, specification compliance, adaptive options
Price and value for money	25%	Itemised pricing, value-in-kind, rights fee, royalties and overall financial benefit to SAHA
Manufacturing capability and experience	20%	Capacity, track record, references, strategic rationale for partnering with SAHA
Delivery timeline and reliability	15%	Lead times, quality assurance, after-sales support, retail and distribution strategy
B-BBEE compliance	10%	B-BBEE status level
Total	**100%**	

4.2 The selection procedure has three parts:

a) A technical evaluation of each Applicant's ability to meet SAHA's requirements.

b) A financial evaluation of each Applicant's pricing and financial offer.

c) An assessment of each Applicant's suitability, experience, organisational structure and infrastructure.

4.3 The information in the successful proposal will form the basis of contract negotiations. SAHA will set a deadline for finalising them.

5. Timing and Process

5.1 The Tender is issued on 30 October 2026. The timetable below is indicative except for published submission deadlines. Contract finalisation and first delivery dates remain subject to confirmation by written addendum before proposals close; Applicants must provide realistic design, approval, production and delivery lead times.

Ref	Activity	Date
1	Issue and Notice to Tender	30 October 2026
2	Submission of Notice of Intention to Participate (Annexure A)	9 November 2026, 16:00
3	Closing date for clarification questions	10 November 2026, 12:00
4	Closing date for proposals and samples	16 November2026, 16:00
5	Sample evaluation, site visits and presentations by shortlisted Applicants	Thursday, 19 November – Wednesday, 25 November 2026
6	Adjudication and selection of preferred Applicant	27 November 2026
7	Negotiation and contract finalisation	1 December 2026

5.2 Published deadlines apply unless amended by written notice to all participating Applicants. Material changes to scope, quantities, rights or evaluation requirements will allow reasonable time for Applicants to respond.

5.3 **Notice of intention.** Recipients who wish to take part must complete Annexure A and email it to the Tender Officer by the deadline. This is a prerequisite: recipients who do not comply will be excluded.

5.4 Clarifications. Questions must be emailed to ceo@sahockey.co.za by the clarification deadline in the timetable. Answers and addenda will be shared with all participating Applicants without naming who asked. Notices of intention and proposal copies must be sent to applications@sahockey.co.za.

5.5 **Submission.** Proposals must be in English and signed by an authorised representative. Submit two hard copies (one original, one copy) and one electronic copy on a memory stick, in a sealed envelope marked #SAHA/001/2026, to South African Hockey Association, The Wanderers Club, 21 North Street, Illovo, 2196. An electronic copy must also be emailed to applications@sahockey.co.za with the subject line "TENDER: SA Hockey National Teams Clothing – #SAHA/001/2026". Samples go in a sealed, labelled container with the envelope attached. All required hard copies, the memory stick, emailed proposal and samples must be received by the closing date and time. The signed original controls any discrepancy. Late bids will not be considered; administrative omissions are dealt with under clause 5.6. Applicants bear transmission and delivery risks. Receipt acknowledges delivery only and does not confirm compliance or acceptance.

5.6 **Further information.** SAHA may request clarification or correction of an administrative omission in writing, at the Applicant's cost, ordinarily within 3 business days or another reasonable period

specified in the request. This may not materially change the price, scope or competitive substance of a proposal. Comparable cases will be treated consistently.

5.7 **Validity.** A proposal is a binding, irrevocable offer, valid for 90 days from the closing date unless SAHA agrees otherwise. **No appointment, purchase commitment or grant of rights arises until the agreement in clause 5.10 is signed by both parties.**

5.8 **Shortlisting.** SAHA may shortlist Applicants and invite them to present in person, at their own cost.

5.9 **Selection.** SAHA will select the proposal that best meets its criteria and requirements. Quality, ongoing support and delivery are key; the lowest bid will not necessarily succeed. SAHA may negotiate improved terms with the preferred Applicant subject to the published criteria, consistent treatment of Applicants and applicable law.

5.10 **Appointment.** Appointment is subject to a signed agreement between SAHA (or an identified nominee disclosed before contract signature and accepted by the preferred Applicant) and the preferred Applicant, prepared by SAHA. Unsuccessful Applicants will be informed in writing.

5.11 **SAHA's discretion.** SAHA may accept or reject any proposal, allow resubmission, negotiate with any number of Applicants, or suspend, modify or cancel the Tender at any time. These powers remain subject to the published evaluation criteria, consistent treatment and applicable law; material changes will be notified to all participating Applicants.

6. Legal Provisions and Terms of Contract

By taking part in this Tender, each Applicant accepts the tender process provisions below. Clauses 6.11 to 6.15 and 6.17 to 6.20 state minimum requirements for the final contract; any proposed departures must be expressly disclosed. No supply or partnership contract arises before signature under clause 5.10.

Tender process

6.1 **No offer.** Nothing in this Tender or any SAHA communication is an offer or binding contract, or a promise that rights will be granted.

6.2 **Amendments.** SAHA may change, supplement, reissue or withdraw this Tender at any time. Addenda form part of the Tender. SAHA may also decide to arrange the services itself or not appoint anyone.

6.3 **Accuracy.** SAHA has taken reasonable care that this Tender is accurate but gives no warranty on its completeness. Applicants must conduct their own assessment and seek clarification of material uncertainties. No exclusion in this Tender applies to fraud, wilful misconduct, gross negligence or liability that cannot lawfully be excluded.

6.4 No entitlement to appointment. Participation, shortlisting or preferred-Applicant status gives no entitlement to appointment or anticipated profits. Subject to clause 6.3 and applicable law, SAHA is not responsible for bid preparation costs or loss of anticipated profits resulting from a lawful decision not to appoint or to cancel this Tender. This clause does not waive rights that cannot lawfully be waived.

6.5 **Truthful information.** Applicants warrant that all information submitted is accurate and complete, and must promptly notify SAHA in writing of any change that affects it.

6.6 **Confidentiality.** Applicants must protect non-public SAHA information and use it only for this Tender. SAHA will protect commercially sensitive proposal information and use it for evaluation, governance and contract purposes. Disclosure is permitted to personnel, board members, evaluators and professional advisers who need access and are subject to confidentiality duties, or where required by law. These obligations exclude information lawfully public, already lawfully held or independently obtained. Clarification responses shared with all Applicants must not disclose an Applicant's confidential commercial information.

6.7 **No collusion.** Applicants may not discuss the Tender or their proposals with other Applicants. A breach may lead to immediate elimination.

6.8 **Announcements.** Only SAHA may make announcements about the Tender or its outcome.

6.9 **Costs.** Each Applicant bears its own costs of taking part, whether or not a contract is concluded.

6.10 **Precedence.** This Tender, as amended by written addenda issued to all participating Applicants, governs the tender process and prevails over inconsistent informal communications. The signed agreement will govern the appointment. Proposed contract departures must be expressly identified; silence does not signify SAHA's acceptance of an Applicant's standard terms.

Terms of the contract

6.11 **Payment.** Payment within 30 days of delivery and a valid invoice, conditional on acceptance of goods that meet specification. The 30-day period runs from the later of acceptance and receipt of a valid tax invoice where applicable. SAHA may withhold genuinely disputed amounts pending

resolution, paying undisputed amounts when due. No advance payment is due unless expressly agreed. Guaranteed cash sponsorship payments to SAHA must follow the agreed annual schedule and may not be reduced by unapproved costs or deductions.

6.12 **Warranty.** All items are guaranteed against defects for at least 12 months from delivery. Defective items are replaced at no cost. SAHA may inspect and reject goods not matching approved samples, specifications, sizing or branding. Inspection or payment does not waive latent-defect rights. The supplier must collect and replace rejected or defective goods at its cost within agreed deadlines aligned to competition requirements, failing which SAHA may require a refund or procure replacements and recover reasonable additional costs, without double recovery.

6.13 **Delivery.** The contract must specify delivery dates, locations, approval milestones and urgent re-order lead times. Prices must identify all delivery charges. Risk passes only on delivery and acceptance; ownership passes on payment or delivery, whichever occurs first, free of third-party claims. The supplier must promptly notify SAHA of threatened delays and implement a recovery plan. Agreed proportionate delay penalties and SAHA's rights to substitute procurement, recover reasonable losses and terminate for material or repeated failure must be recorded in the contract, without double recovery.

6.14 **Intellectual property.** SAHA retains its existing marks, branding and materials. The supplier retains its disclosed pre-existing technology and generic designs. Copyright and other assignable rights in bespoke SAHA designs and customisations must be assigned to SAHA by signed written assignment, with equivalent assignments obtained from designers and subcontractors. The supplier must grant SAHA a perpetual, royalty-free licence to incorporated pre-existing material to use and reproduce those bespoke designs, including through replacement suppliers. Use of SAHA marks requires prior written approval and is limited to the agreed purpose and term; no sublicensing or third-party manufacture is permitted without approval. The supplier must warrant that its materials do not infringe third-party rights.

6.15 **Data protection.** No access to or transfer of SAHA's supporter database is included in the rights package. SAHA will control any approved supporter communications, subject to POPIA, including applicable direct-marketing requirements. If the supplier processes personal information on SAHA's behalf, a written operator agreement must regulate instructions, confidentiality, security, subcontractors, prompt incident reporting, assistance with legal obligations, and return or deletion. No independent marketing use is permitted without a separate lawful basis and SAHA's written approval.

6.16 **Governing law.** This Tender and related documents are governed by South African law, under the exclusive jurisdiction of the South African courts.

6.17 **Performance and reporting**. The agreement must record guaranteed annual free apparel quantities, cash rights fees, delivery milestones and performance reviews. Retail royalties must specify the sales base and deductions, quarterly reports and payment dates, records retention and SAHA audit rights. Marketing spend must be reported separately and may not substitute for guaranteed cash or supply commitments.

6.18 **Termination**. SAHA may terminate for material breach not remedied within 10 business days after written notice, or a shorter reasonable period specified for urgent competition delivery failures. Immediate termination may apply to irremediable material breach, serious unauthorised branding use or insolvency, subject to applicable law. Repeated material delivery failures entitle SAHA to

terminate. The agreement must address unpaid sums, refunds for undelivered goods, accrued royalties and continuity of supply.

6.19 **Expiry and transition**. On expiry or termination, the supplier must cease holding itself out as SAHA partner and cease use of SAHA marks, return SAHA materials and provide reasonable transition assistance. Remaining branded stock may be sold only under an express written sell-off arrangement specifying duration, channels, royalties and reporting; no new branded production is permitted.

6.20 **Liability and insurance**. The supplier must maintain appropriate product and public liability insurance, with limits agreed before signature, and remain responsible for subcontractors. The agreement must contain appropriate indemnities for defective products, third-party intellectual property infringement and unlawful use of personal information attributable to the supplier, together with agreed liability limits and exclusions that preserve meaningful remedies for SAHA.

Annexure A – Notice of Intention to Participate

#SAHA/001/2026

I, _____ (name), in my capacity as _____

(designation) at _____ (Applicant company name), confirm that the

company intends to participate in South African Hockey Association #SAHA/001/2026.

_____
Signature

Signed at _____ (place) on this _____ day of _____ 2026.

This notice must be completed, scanned and emailed to the Tender Officer at applications@sahockey.co.za by 16:00 on 9 November 2026. It is a prerequisite for participation in this Tender.

Annexure B – Submission Form

Applicants must complete this form, attach a copy to both the proposal and the sample container, and have a copy signed by the receiving SAHA representative as proof of submission.

Applicant details

Applicant company name	
Company registration number	
Contact representative name and designation	
Contact telephone and email	
B-BBEE status level	
Proposal basis (supply only / sponsorship / combination)	

Receipt by SAHA

Submitted by (name)	
Received by (name)	
Proposal in sealed envelope received	YES / NO
Electronic copy received	YES / NO
Sample garments received	YES / NO
Date and time	
Signature of SAHA representative	

Annexure C – Technical Apparel Requirements and Specifications

Technical apparel covers team match kit, training and warm-up kit, accessories, and informal wear for players and support staff. Unless otherwise stated, each senior and U21 team comprises 18 players and 10 technical and support staff (28 people), plus 16 blood/spare kits priced separately as sets of garments, not additional people. SAHA will issue a common item-by-item annual quantity schedule before proposals close, specifying player, goalkeeper and staff allocations, garment contents of spare kits, replenishment and overlap with High Performance Squads. Applicants must price that schedule and identify all assumptions; indicative headcounts do not guarantee purchases.

C1. Teams, headcounts and items required

Team or group	Headcount	Items required
Men's National Team	28 people plus 16 blood/spare kits (separately priced)	Match jerseys (home and away), match shorts, training kit, jackets and windbreakers, polo shirts, track pants, socks and undergarments, caps and headwear
Women's National Team	28 people plus 16 blood/spare kits (separately priced)	Match jerseys (home and away), match skorts, training kit, jackets and windbreakers, polo shirts, track pants, socks and undergarments, caps and headwear
Men's U21 National Team	28 people plus 16 blood/spare kits (separately priced)	Match jerseys (home and away), shorts (home and away), training kit, polo shirts, track pants, socks and base layers
Women's U21 National Team	28 people plus 16 blood/spare kits (separately priced)	Match jerseys (home and away), skorts (home and away), training kit, polo shirts, track pants, socks and base layers
Para-Hockey National Team	20	Match jerseys (home and away), match shorts, training kit, polo shirts, adaptive clothing as required, socks and base layers
High Performance Squads	58 (24 men, 24 women, 10 staff)	Training and warm-up kit, polo shirts, track pants, jackets, socks and base layers
PHL franchise teams (optional)	16 × 23	Match and training kit, priced separately, subject to league reinstatement

C2. Material standards

- Performance fabrics with moisture-wicking properties
- Breathable, lightweight materials suited to active sport
- Durable under repeated washing, training and competition use
- UV protection where applicable

C3. Branding and customisation

- SA Hockey official branding and logos on all items

- FIH official logo only where required or authorised by FIH and approved in writing by SAHA
- Embroidery or application of national team insignia
- Player names and numbers on jerseys
- Durable, professional print quality
- Space for team and event sponsor branding, within FIH regulations

C4. Sizing and fit

- Full size range, XS to XXL, with accurate fit specifications and provision for additional sizes and individual fitting where required
- Men's and women's cuts
- Adaptive sizing for para-athletes where required

C5. Colour, design and quality assurance

- SA Hockey official colours: green and gold, with home, away and goalkeeper colourways as set out in C6, subject to SAHA's written approval and applicable competition requirements
- Design that complies with international sports standards
- Design samples approved by SAHA before bulk production
- ISO or equivalent quality certification, or equivalent documented quality assurance evidence under section 3A, pre-delivery inspections and a defect replacement guarantee

C6. Detailed item specifications

Item	Design	Material	Key features	Colours
Match Kit	Professional sports jersey with SA Hockey branding	100% polyester or high-tech blend, moisture wicking	Breathable mesh panels, flat seams, reflective elements, player name and number	**Playing** - Home green, away white. **Shorts & Skorts** (ladies) – Home green, away white **Goalkeeper smock**– Home white, away blue **Goalkeeper Shorts** – home green, away white
Training kit	Training jersey and shorts set	Performance polyester with elastane	Lightweight, quick-drying, colour-fast, flexible waistband	Team colour with contrast trim
Polo shirts	Classic rugby-style polo	Cotton-poly blend or high-quality cotton	Embroidered logo, breathable, durable collar	Official team colour with SA Hockey branding
Jackets and windbreakers	Rain jacket with waterproof coating	Nylon or polyester with waterproof membrane	Taped seams, adjustable hood, reflective elements, ventilation	Team colour with contrasting piping
Socks and base layers	Reinforced athletic socks; fitted long-sleeve compression tops	Merino wool blend or performance polyester	Arch support, cushioned heel and toe, odour-resistant	Home gold, away green
Headwear and accessories	Caps, winter beanies, training headbands	Per item	Embroidered branding, sweat-absorbing headbands	Team colours
Tracksuit	Team tracksuit top and pants	High-performance synthetic technical fabrics like 100% polyester, poly-dry, microfiber & stretch poly blends	Embroidered branding,	Green and Gold
